S.T.R.E.E.T. PROJECT
S.T.R.E.E.T project aims to create a new professional profile, the **Expert in Sustainable Mobility and Tourism**, who can meet the market trends and become an opportunity for economic growth, local social development and employment. The candidates are young people, unemployed, **between 20 and 35 years old**, with a high school or a university degree wanting to acquire more competencies on sustainable transport and tourism, which is constantly evolving.

MEETING IN WERFENWENG
On **April 4-5th, 2017**, the third meeting among the project partners was held in Werfenweng (Austria). It was a good opportunity to discuss about S.T.R.E.E.T. progresses and to define the agenda for the next months. In particular, we discussed about:

- **Selection of the participants** considering the results of the online Basic Course;
- **Scheduling and contents of the Specialised Course and the Study Visits** (topics choice, budget, accommodation);
- **Communication and dissemination** activities.

Werfenweng, an Alpine Pearl
Eco-sustainable experiences and “all of the world’s time” in Salzburg’s surrounding areas: here you can try different experiences of “soft mobility” thanks to a large fleet of electric vehicles (cars, bicycles, pedelecs, etc.).
ARE YOU READY FOR THE SPECIALISED COURSE AND THE STUDY VISITS?

Each Study Visit will examine in detail a specific topic and, in order to achieve the certificate in “Expert in Sustainable Mobility and Tourism”, that will be delivered at the end of the project, it will be necessary to have successfully completed the whole Specialised Course. During the Study Visits didactic videoclips will be realized to complete the Specialised Course training offer.
